

# 17th big ZX-TEAM-Meeting

## 19<sup>th</sup> until 21<sup>st</sup> of April 2013 in Mahlerts/Rhoen

(Germany)

An event for all ZX81 friends and their families

**If you want to attend,  
please get in touch with me\* really soon!**

**Date:** Friday, 19<sup>th</sup> of april, from about 5 PM until Sunday, 21<sup>st</sup> of april 2013 at exactly noon after a late breakfast, a cozy finale and cleaning up the location.

**Location:** "Rhoen-Haus Mahlerts" Mahlertserstr. 2, 36145 Hofbieber-Mahlerts (link to google maps: <http://tinyurl.com/68ouhde> )

**Arrival** (by car): Leave the A7 at exit "Fulda-Mitte" (exit-no. 92), from there go about 22 km east in direction towards Hilders on the B458. Leave the B458 at exit Dietges to the left, bottom left! (Not south to Dietges), but 12 km north across Liebhardts, Eckweisbach and Unterbernhards until you reach Mahlerts. Please drive carefully in the district, there are many speed cameras.

**Arriving by public transport** from Fulda main station go to ZOB (central bus stop) in front of the train-station and take bus 20 until bus-stop "Obernuest Koenigsmuehle, Hofbieber". This nearest bus-stop is one kilometer walk from the house.

Who needs a lift from Fulda or elsewhere in Germany should send a mail as soon as possible .

**Rooms:** We are in Mahlerts between ourselves and have next to two larger meeting rooms, a cozy living room, and 12 bedrooms with up to four beds, partly as bunk beds (total 34 beds) are available. There is also the possibility to open a dormitory in the basement.

Those who prefer to stay elsewhere, in Mahlerts or some kilometers away there are guest houses and hotels. (Please arrange by yourselves)

**Family members** are welcome too. At the last meetings Birgit, Carmen, Christel, Gudrun, Ingetraud, Maicha and Ruth have kindly helped me not only extremely strong in supply, but they also made some trips to Fulda, made for hiking or the indoor pool in the next town Hofbieber. Because all men are extremely busy with their computers, the women have to please their own hands.

**Equipment:** Please bring your ZX systems with extension cords and power strips. Towels are also themselves, linen is provided by the house and must be used.

**Flea Market:** bring what you want to get rid of. Space is available, but only a few tables.

**Board:** Simple but sufficient. Who needs to diet, so watch yourself bring something. All meals, snacks, all beverages (coffee and beer, ...), etc. will be provided. Where is the nearest restaurant? I have no idea.

**Costs** are probably about 60 € per person for both days and nights, incl. all meals and all drinks. The costs are calculated as usual only on site and spread equally across all participants.

**Agenda:** Seeking volunteers again who want to keep short lectures or demonstrations. Topics to be addressed from any arbitrary. Ideas for joint activities or requests for demonstrations, software or hardware explanations are welcome. English language will be no problem for us.

**WLAN:** Wireless Internet access is available.

Please note: On the part of the landlord is in the house smoke-and pet ban.
